## WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

## NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

## QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

## STAR WARS™

### A TRIBUTE TO A LIFELONG REBEL

Since *Return of the Jedi* premiered in 1983, the final movie in the Original Star Wars™ Trilogy has served not as a conclusion to the saga, but rather as a launchpad for an ever-expanding galaxy of stories we continue to explore and love. In our series of LEGO® Star Wars models celebrating the film's 40<sup>th</sup> anniversary, Chewbacca deserves a special tribute. From the Clone Wars to the New Republic era, Chewie's lifelong commitment to the Jedi and his Rebel Alliance friends makes him one of the most loyal, determined and oldest heroes in the saga. A survivor, a hard-hitting force to be reckoned with – as Han Solo points out, "It's not wise to upset a Wookiee" – and, overall, just an utterly endearing fuzzball.

Enjoy building!

## UN HOMMAGE À UN REBELLE DE LONGUE DATE

Depuis la première du *Retour du Jedi* en 1983, le dernier film de la trilogie originale de *Star Wars™* a servi non pas de conclusion à la saga, mais plutôt de rampe de lancement vers une galaxie toujours plus vaste d'histoires que nous continuons à découvrir et à aimer. Dans notre série de modèles LEGO® Star Wars célébrant le 40<sup>e</sup> anniversaire du film, il convient de rendre un hommage particulier à Chewbacca. De la Guerre des clones à l'ère de la Nouvelle République, l'engagement de Chewie envers les Jedi et ses amis de l'Alliance rebelle fait de lui l'un des héros les plus loyaux, les plus déterminés et les plus anciens de la saga. Un survivant, une puissance percutante qu'il ne faut pas sous-estimer (comme le dit Han Solo, « Il ne faut jamais indisposer un Wookiee ») et, somme toute, une boule de poils des plus attachantes.

## HOMENAJE A UN EJEMPLO DE TENACIDAD ENTRE LOS REBELDES

Muchos habrían esperado que *El Regreso del Jedi*, la última película de la trilogía original de *Star Wars™*, fuera el broche de oro con el que se cerrara la saga. No obstante, desde su estreno en 1983, esta entrega se convirtió en exactamente lo contrario: una plataforma de lanzamiento para una galaxia de historias siempre en expansión que nos sigue encantando explorar aun hoy en día. En nuestra serie de modelos LEGO® Star Wars para celebrar el 40 aniversario de la película, Chewbacca merece un homenaje especial. Desde la Guerra de los Clones hasta la era de la Nueva República, el incesante compromiso de Chewie con los Jedi y sus amigos de la Alianza Rebelde lo convierte en uno de los héroes más leales y decididos de la saga. "No hay que disgustar a un Wookiee", dice Han Solo, dejando claro que conoce de primera mano la contundencia en combate de su incondicional amigo, cuyas armas incluyen un pelaje capaz de inspirar una infinita ternura.

## ACTIONS SPEAK LOUDER THAN GROWLS

The Wookiee language may mostly resemble canine barks and snarls, but Chewbacca's actions speak louder than his expressive growls, both in his devoted affection for his friends and his resolve and honor in battle. After helping Yoda escape from Kashyyyk and later fleeing his home planet in the Clone Wars, Chewie teams up with Imperial deserter Han Solo and the two resilient outlaws become inseparable partners in crime. In our earliest encounters with Chewie, from *A New Hope* to *Return of the Jedi*, his opportunistic small-time smuggling and dealings with the shadiest clientele on the roughest of planets in the Outer Rim Territories evolve into a Rebel warrior career as he fights alongside the boldest heroes in the galaxy to overthrow the Empire. At around age 200 during the Galactic Civil War, Chewie has seen and lived through more than most of his friends and has developed a very low tolerance for Imperial thugs, unnecessary dawdling and malfunctioning mechanics.

## LES ACTES PARLENT PLUS FORT QUE LES GROGNEMENTS

Le langage Wookiee ressemble peut-être à des aboiements et à des grognements canins, mais les actions de Chewbacca sont plus éloquentes que ses grognements expressifs, qu'il s'agisse de son affection dévouée envers ses amis ou de sa détermination et de son honneur au combat. Après avoir aidé Yoda à s'échapper de Kashyyyk, puis quitté sa planète natale lors de la Guerre des clones, Chewie fait équipe avec Han Solo, un déserteur impérial, et les deux hors-la-loi tenaces deviennent des complices inséparables. Dans les premières apparitions de Chewie, d'*'Un nouvel espoir au Retour du Jedi'*, ses activités opportunistes de contrebande de petite envergure et ses rapports avec les clients les plus louches sur les planètes les plus hostiles des territoires de la Bordure extérieure évoluent vers une carrière de guerrier rebelle alors qu'il se bat aux côtés des héros les plus audacieux de la galaxie pour renverser l'Empire. Âgé d'environ 200 ans pendant la guerre civile galactique, Chewie a vu et vécu plus de choses que la plupart de ses amis et a développé une très faible tolérance envers les voyous impériaux, les flâneries inutiles et les mécaniques défectueuses.

« Nous tenons enfin le puissant Chewbacca. » - Jabba le Hutt

## LAS ACCIONES HABLAN MÁS FUERTE QUE LOS GRUÑIDOS

Si bien el idioma Wookiee puede parecer una mezcla de ladridos y aullidos, las acciones de Chewbacca dicen mucho más que sus expresivos gruñidos, tanto en lo que concierne a su profundo afecto hacia sus amigos como a su decisión y honor al participar en una batalla. Luego de ayudar a Yoda a escapar de Kashyyyk y de huir de su planeta natal durante la Guerra de los Clones, Chewie se convierte en el inseparable cómplice del desertor del Imperio Han Solo, formando con él una pareja de incombustibles forajidos. En nuestros primeros encuentros con Chewie, desde *'Una Nueva Esperanza'* hasta *'El Regreso del Jedi'*, lo conocimos por su activa participación en el contrabando de poca monta y sus tratos con clientes de dudosa reputación en los planetas más peligrosos de los Territorios del Borde Exterior, pero también fuimos testigos de su transformación en un guerrero rebelde que combate al lado de los héroes más temerarios de la galaxia para derrocar al Imperio. Para cuando estalló la Guerra Civil Galáctica y su edad rondaba los 200 años, Chewie había visto y vivido muchas más cosas que la mayoría de sus amigos y había desarrollado una bajísima tolerancia a los rufianes imperiales, a perder el tiempo y los aparatos con averías mecánicas.

“Finalmente tenemos al gran Chewbacca”. – Jabba el Hutt

## SOFT, WITH A ROUGH EDGE

How do you create soft-looking, flowing fur with edgy LEGO® bricks? Bringing Chewbacca to life in brick form required the creative use of elements that are traditionally used for other purposes.

- Visual expressions were key in creating an authentic Chewbacca model. Without an immediately decodable spoken language, much of his demeanor and intentions are conveyed through body language or a tilt of his head. Curved and sloped elements in different shades of brown became the formula for capturing the fuzzy, furry look and a sense of flow in the figure.
- Chewie's bowcaster strap element was originally designed as a part of the LEGO Ideas Typewriter (21327).
- While the model exterior is mainly composed of brown shades, the interior has more color variations to make the building experience intuitive.
- The expressions on Chewie's face, his eyes and mouth in particular, are shaped with a combination of very small elements to bring out his personality. And the canine teeth? Repurposed LEGO lipstick elements!

## DOUX AVEC UN CÔTÉ BRUT

Comment recréer l'aspect doux et fluide de la fourrure avec des briques LEGO® pointues ? Donner vie à Chewbacca avec des briques a nécessité l'utilisation créative d'éléments qui sont traditionnellement utilisés à d'autres fins.

- Les expressions visuelles étaient essentielles pour créer un modèle authentique de Chewbacca.

Faute d'un langage parlé immédiatement compréhensible, une grande partie de son comportement et de ses intentions est transmise par son langage corporel ou l'inclinaison de sa tête. Des éléments courbes et inclinés dans différentes nuances de brun ont permis de capturer l'aspect duveteux de la fourrure et le caractère dynamique de la figurine.

- L'élément de la sangle de l'arbalète de Chewie était à l'origine conçu pour le modèle LEGO® Ideas La machine à écrire (21327).

- Si l'extérieur du modèle est principalement composé de nuances de brun, l'intérieur présente davantage de variations de couleurs pour rendre la construction intuitive.

- Les expressions du visage de Chewie, en particulier son regard et la forme de sa bouche, sont façonnées avec une combinaison de très petits éléments pour faire ressortir sa personnalité. Et les canines ? Des éléments de rouge à lèvres LEGO utilisés autrement !

## SUAVE, PERO CON UN LADO ÁSPERO

¿Cómo reproduces la apariencia de un terso pelaje con los angulados bricks LEGO®? Dar vida a Chewbacca mediante bricks requirió el uso creativo de elementos que tradicionalmente se utilizan para otros fines.

- Las expresiones visuales fueron clave para crear un modelo de Chewbacca que fuera fiel. Careciente de un idioma hablado que resultara fácilmente comprensible, nuestro héroe comúnmente recurre al lenguaje corporal para comunicar sus intenciones (inclinando la cabeza, por ejemplo). Los elementos curvados e inclinados en distintas tonalidades de café fueron la solución para capturar el ondulado y fluido aspecto de su pelaje.

- El elemento que representa la correa de la ballesta de Chewie se diseñó originalmente para el set LEGO® Ideas Máquina de Escribir (21327).

- Mientras que el exterior del modelo tiene principalmente tonalidades de café, el interior cuenta con una mayor variedad de colores para hacer más intuitiva la experiencia de construcción.

- Para dar forma a las expresiones de la cara de Chewie, sus ojos y su boca se reprodujeron utilizando una combinación de elementos muy pequeños que hicieran resaltar su personalidad. ¿Y sus dientes caninos? ¡Elementos LEGO que representan lápices labiales!

## MEET THE MODEL DESIGNER

"In the past, we have released other prominent *Star Wars™* characters, like Yoda or Grogu, in brick-built form. Chewbacca, a renowned character loved by fans of all ages, is the perfect candidate to join this collection. We wanted to give him a dynamic pose, holding his trusted Wookiee bowcaster and wearing his signature

bandolier and satchel, while capturing the coloring and organic look of his fur, his stature and his personality. Wookiees are quite tall, over 2 meters/6.5 feet, and this scale model is designed to be stable and balanced while you build, display or move it. The result: a display model that shows off Chewbacca's strength as well as his gentler side. Enjoy your time with our favorite Wookiee!"

## RENCONTRE AVEC LE CONCEPTEUR DU MODÈLE

« Dans le passé, nous avons présenté d'autres personnages importants de Star Wars™, comme Yoda ou Grogu, sous forme de briques. Chewbacca, un personnage célèbre aimé des amateurs de tous âges, est le candidat idéal à ajouter à cette collection. Nous voulions lui donner une pose dynamique, avec sa fidèle arbalète Wookiee et sa sacoche à bandoulière caractéristique, tout en préservant la couleur et l'aspect organique de sa fourrure, sa stature et sa personnalité. Les Wookiees sont assez grands, dépassant les 2 mètres, et ce modèle réduit est conçu pour être stable et équilibré lorsque vous le construisez, l'exposez ou le déplacez. Le résultat : un modèle d'exposition qui montre la force de Chewbacca ainsi que son côté plus doux. Amusez-vous bien avec notre Wookiee préféré ! »

**César Carvalhosa Soares,**

## CONOCE AL MODELISTA

“No es la primera recreación con bricks de un personaje notable de Star Wars™. Anteriormente lanzamos a Yoda y Grogu, por ejemplo. Y Chewbacca, un personaje muy querido por fans de todas las edades, era el candidato perfecto para hacer más grande esta colección. Nos esmeramos en darle una pose dinámica incluyendo detalles como la ballesta Wookiee, así como su bandolera y bolsa tan características, sin dejar de lado el aspecto orgánico y colorido de su pelaje, su estatura y su personalidad. Con una altura que frecuentemente supera los 2 m, los Wookiees pueden llegar a ser muy altos. Con este hecho en mente, diseñamos el modelo para que fuera estable y mantuviera el equilibrio al construirlo, exhibirlo o trasladarlo. El resultado es un modelo de exhibición que muestra toda la fuerza de Chewbacca sin dejar fuera su lado más amigable. ¡Esperamos que disfrutes el tiempo que dediques a nuestro Wookiee favorito!».
